PETITION FOR EXPUNGEMENT OF ASSIGNMENT RECORDS
PURSUANT TO MPEP 323.01(d)
FILED VIA FACSIMILE TO 571-273-8300

1. Petition is hereby made by IWICS, Inc. ("IWICS") and Griffin Technology Holdings Incorporated to expunge the document located at Reel 028434, Frame 0243 through Reel 028434, Frame 0253. The document located at Reel 028434, Frame 0243 through Reel 028434, Frame 0253 is not an assignment of patent rights nor is it relevant to an assignment. Rather, it is a draft retention agreement between Griffin Technology Holdings Incorporated and The Simon Law Firm, P.C. that was inadvertently submitted.

2. On June 25, 2012, Mr. Wayne Lin submitted what he believed was an exclusive license agreement between IWICS and Griffin Technology Holdings Incorporated:

U.S. Patent No. 6,097,703
U.S. Patent No. 6,965,568
U.S. Patent No. 6,473,617
U.S. Patent No. 6,810,428
U.S. Patent No. 6,898,437
U.S. Patent No. 6,785,510
U.S. Patent Application No. 09/355898
U.S. Patent Application No. 10/875995
U.S. Patent Application No. 60/620908; and
U.S. Patent Application No. 60/681927

This document was duly recorded at Reel 028434, Frame 0243 through Reel 028434, Frame 0253.

3. Mr. Lin subsequently discovered that he inadvertently attached a draft retention agreement to the recordation cover sheet, instead of the exclusive license agreement as he intended.

4. IWICS, the licensor of the patents and the patent applications, and Griffin Technology Holdings Incorporated, the exclusive licensee of the patents and patent applications, desire that the draft retention agreement be expunged, so that it does not confuse the chain of title.

5. The normal corrective procedures outlined in MPEP § 323.01(a) through § 323.01(c) will not provide IWICS and Griffin Technology Holdings Incorporated with adequate relief, because the draft retention agreement that was inadvertently submitted is not an assignment that can be corrected. Rather, it is a document that arguably contains privileged information that requires removal from public availability.

6. The integrity of the assignment records will not be affected by granting this petition because, as previously stated, the document filed at Reel 028434, Frame 0243 through Reel 028434, Frame 0253 is not an assignment of patent rights, is not relevant to an assignment of patent rights, and was inadvertently filed in error.

7. The Commissioner is authorized to charge the amount of \$130.00 for the petition fee required under 37 CFR 1.17(h). The Commissioner is also hereby authorized to charge any additional fees required or refund any overpayments to Deposit Account No. 08-0750.

8. It is believed that the expungement of the document located at Reel 028434, Frame 0243 through Reel 028434, Frame 0253 is appropriate. If a personal communication will expedite the granting of this Petition, please feel free to contact the undersigned at (314) 726-7505.

Respectfully submitted,

Bryan K. Wheelock
